Sir:-

I beg to acknowledge the receipt of your letter of the 14th ult., your file 20312, respecting the sale to Mr. Charles Sharples of part of Section 12, Tp. 12, Rg. 28, West of 4th Meridian, and note that Mr. Sharples in his letter of the 5th ult. claims that he should be credited with $788.85 as the proper proportion of the cost of the irrigation works constructed by him, instead of $460.00 as allowed by this Department.

On the 5th of February, 1908, the Commissioner of Irrigation forwarded to the Department a certificate that the works constructed by Mr. Sharples for the irrigation of Sec. 12, Tp. 12, Rg. 28, West 4th Meridian had cost $1213.89 and that Mr. Sharples should be credited with $788.85 of such cost in completing the purchase of all of Section 12 not included in his homestead. The Commissioner's attention was called to the fact that Legal Subdivisions 8,9,14,15 and 16 had been sold to Mr. Sharples at $1.00 per acre and that no portion of the cost of the irrigation works should properly be credited on such sale, as any such credit would reduce the price of the land to less than the minimum rate at which lands may be sold. The Commissioner accordingly submitted a revised certificate

on the 17th of March last showing a credit of $400.00 as the proper proportion of the cost of the irrigation works to be credited towards the purchase of Legal Subdivisions 1,2,3,4,5,12 and 13 of Sec. 12 - the remainder of the section being made up of the homestead and the sale at $2.00 per acre above referred to.

owe nothing more on the land as we have already paid in cash $775 besides $213. the cost of the ditch. But I see by a letter the Department has written the Agent at Lethbridge, a copy of which has been forwarded to me, they are giving us 200 acres at 1.00 ⅌ for doing as taking $328 from the cost of the ditch and also another $424 for irrigation of our homestead crediting us with the small sum of $460 for construction of irrigation works. My father, A. B. Macdonald told me you had promised to have this matter straightened for us. I am sure I shall feel very grateful for since my husband's illness it has caused me much trouble.

MEMORANDUM:-

The sale to Mr. Charles Shawyer stands as follows:-

Legal Sub-divisions 2,8,14,15 and 16 = 320 acres at $3.00 per acre, on the condition that the land is to be irrigated.

Legal Sub-divisions 1,2,3,4,5,11 and 13 = 280 acres at $5.00, subject to a deduction of the proper proportion of the cost of the works as certified to by the Commissioner, up to $2.00 per acre.

The remainder of Section 33-21-18-4 to make up of the homestead of Mr. Shawyer on legal Sub-divisions 6,7,12 and 11.

In the correspondence relative to these sales it appears that Mr. Shawyer had a right of being permitted to purchase the 320 acre tract at $3.00 per acre. This being permitted no further deduction could be made on account of the cost of the works for the irrigation of these 320 acres, as any such credit would have reduced the price below the minimum of $3.00 per acre fixed by the Dominion Lands Act.

It is also clear that no portion of the cost of the works for the irrigation of his homestead could be properly credited on account of the purchase of the 320 acre tract which is sought at $3.00 per acre.

The ascertained cost of the completed works is $13138.30 and the Commissioner of Irrigation has certified that Mr. Shawyer is entitled to credit for $960.00 of this sum on account of his purchase of legal subdivisions 1,2,3,4,5,11 and 13. The account that stands

W. W. Cory, Esq.,
Deputy Minister,
Department of Interior.

As indicated in Mr. Campbell's memorandum of 14th May, 1928, marked hereon, viz.- there is a balance of £143.06 now due, plus interest from 5th April, 1927.

The Commissioner's original certificate allowing credit for £728.8s was based upon his understanding that the sale of L.S. 8,9,14,15 and 16 had been made at £3.00 per acre, less the proper credit for cost of works. He cancelled this certificate when advised by the Department of the actual terms upon which the sales had been made.

Respectfully submitted,

C. J. Ayton

permitted to purchase the 200 acre tract at $3.00 per acre and when the sale was authorized on these terms it became impossible to permit any deduction to be made on account of the cost of the works to be constructed for the irrigation of this tract, as under the provisions of the Dominion Lands Act, lands may not be sold for less than $3.00 per acre, and any such credit would have reduced the price below that figure. It should also be apparent that no portion of the cost of the works for the irrigation of the homestead could properly be credited on account of the remaining tract of 320 acres which was purchased at $3.00 per acre.

The ascertained cost of the completed works is $1118.80. The Commissioner originally certified that Mr. Shurlow was entitled to a credit of $720.80, but this certificate was based upon the understanding that the sale of Legal Subdivisions 8,9,14,15 and 16 had been made at the rate of $5.00 per acre, less the proper credit for the cost of the works. Upon being advised by the Department of the actual conditions of the sale the Commissioner amended the original certificate and authorized a credit of $460.00 only. As the account now stands, there appears to be a balance of $143.20 due on account of these sales, to which should be added interest at the rate of 5% per annum from the 5th of April, 1902, to the date on which payment may be made.

I regret that a misunderstanding in connection with the terms of these sales should have caused you any trouble or annoyance, and trust that this explanation may effectually clear up the matter.

As this is not a permanent grant it has been customary to make the necessary reservation without survey or plan other than the plan of the ditch filed in this office and with the Commissioner. I see no reason why patent cannot be issued to Mr. Sharples in the same manner. The license of occupation cannot be issued until the works have been completed, as it is necessary to attach a plan of the ditch to such license.

Sir,

Meridian was executed by him and forwarded to the Registrar of Land Titles at Calgary on March 29 last but the transfer has not been registered owing to the Registrar not having had the Certificate of Title sent to him for cancellation although he had asked for this to be done.

Mr. Sharples who had been ill for a very long while died a short time ago and it is possible some further delay will now take place in getting the matter of this right of way settled. Mr. A.B. Re Mr. Scott's memorandum of the 19th instant, beneath.
Homestead entry of C. Sharples for L.S.'s 6, 7, 10 & 11 of Section 12-12-28-W.4th M.

After looking into this case I find that the patent for the above mentioned homestead entry was not issued as the Department was awaiting action on the part of the North West Territories for the survey of a roadway giving access to the lands entered for from the statutory road allowance. There is no evidence to show that the survey of the roadway has ever been made but in any event as all the remaining lands in the section have been patented to Mr. Sharples or his representative there is now no necessity for any such survey and there is no reason why patent should not now be issued for the land included in the homestead entry to Mr. Charles Sharples as he owns all the remaining lands in the section.

Sir:

I beg to acknowledge receipt of your telegram of the 24th instant in reply to my Day Letter of the same date in which you advise that owing to Certificate of Title having been issued for the above property you are unable to return the patent.

I may say that the grant in this instance should have been to Barbara Sharples as sole personal representative of the late Charles Sharples, it having been overlooked at the time of the issue of the letters patent that Allan John Macdonald had duly renounced all his right to the execution of the Will.

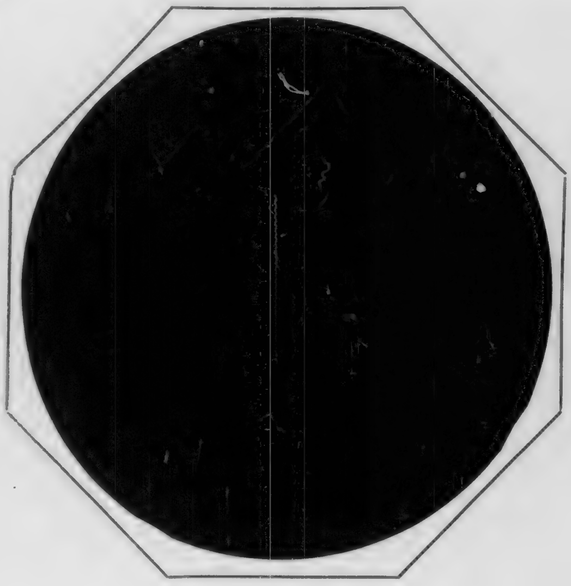

Will you kindly advise me by return mail if you will be prepared to return the patent in this case upon receipt from Mrs. Sharples of the Duplicate Certificate of Title furnished her. I may say that it will be necessary to cancel the patent on a certified copy thereof in the event of your being unable to return the original unless you are prepared to make the required correction in the Duplicate Certificate of Title on the strength of the information herein set out.

for the N.W.¼ 12-23-5, W. 5th M.
Recommended.

The Legal Representative made application for patent on the above land on the 11th of July, 1911, and claimed five acres of breaking in 1913, and five acres cropped, four acres of breaking in 1914 and two acres cropped.

The application for patent was returned to the Agent on the 21st of August, 1914, and he was instructed that it would be necessary for the legal representative to increase the breaking on the above and to fifteen acres and crop the land already broken.

On the 13th of January, last, the applicant made a Supplementary Statement showing six acres broken in 1914 and fifteen acres cropped.

The applicant was requested to furnish a Statutory Declaration showing how the breaking and seeding was done and in what manner.

The Declaration is to hand and is as follows,-

"In the year 1911 I put 9 acres of this land in oats. In October of the same year I ploughed and disked 5 acres more in a good workmanlike manner."

Sir,

Enclos:

I am directed to enclose herewith the papers comprising this office file No.351952, and Wetaskiwin District file No.4796, and to draw your attention to the enquiry of the Agent as to whether Military Bounty Warrant No.1336 can be applied by Paulett Elliott, his name having been written in in place of that of the original substitute, Thomas G.Hotchins. I am further to enquire whether the regulations under which all Military Bounty Warrants must be located before the 31st December 1895, affects the present case, as the document was apparently received by the Agent prior to that date.

I am, Sir,

Your obedient servant,

The Secretary,

Department of the Interior,

Ref. 395646. Ottawa, 21st January, 1896.

Memorandum.

The Secretary of the Dominion Lands Board encloses in his letter of the 10th instant Military Bounty Warrant No. 1336, issued to William Rowland on the 4th July, 1893, and calls attention to the inquiry made by the Agent at Wetaskiwin as to whether this warrant can be applied by Paulett Elliott, his name having been written in the place of the original substitute, Thomas G. Hutchings. The latter in a statutory declaration, which accompanies the said warrant, states that his name was placed in the warrant by mistake, and that the change of his name to that of Paulett Elliott was made with his consent, and that in procuring the said warrant he was acting on behalf of Mr. Elliott, but that he (Hutchings) was not present when the power of substitution was first signed, sworn and executed.

It is further asked whether the Regulations under which all military bounty warrants ~~xxxxx~~ had to be located before the 31st December, 1895, affects the present case, as the document was apparently received by the Agent prior to that date.

In my opinion, if the difficulty first referred to is overcome, the limit of time within which this warrant had to be located should not, under the circumstances affect this case. The Deputy Minister of Justice, in

a

A. M. Burgess, Esq.,
Deputy Minister of the Interior.

a letter dated the 26th November, 1894, (Ref. 369382), advised this Department that the substitute of a grantee of this class of warrants had not the power to appoint a third person as his substitute, and that the homestead could only be granted to the volunteer himself, or his duly appointed substitute. In a previous opinion given by the Department of Justice dated the 2nd January, 1893, this Department was advised that the warrantee might cancel the appointment of a subsitute, the latter being a non-contesting party, and appoint a new subsitute.

Should you decide that the warrant in question may not be located, notwithstanding the fact that it was not actually located before the 31st ultimo, I recommend that the Commissioner be advised in the sense of Mr. Newcombe's opinion of the 2nd January, 1893, last referred to.

Respectfully submitted,

Ref.395546:

Ottawa, 15th February, 1897.

M e m o r a n d u m .

Mr. Oliver has been misinformed by some person about Paulett Elliott's case, the William Rowland military bounty land warrant No.1336, having been forwarded to the Commissioner on the 31st December, 1895 by Mr. Ferguson, formerly Agent at Red Deer, and ~~which~~ reached us from the Commissioner's Office on the 14th January, 1896. Mr. Ferguson pointed out that Rowland first appointed Thomas G. Hutchings as his substitute and that Hutchings's name was scored out and Paulett Elliott's written in on the Warrant. In reply we told the Commissioner that we had been advised by the Department of Justice that a warrantee can cancel the appointment of a substitute, the latter being a consenting party, and appoint a new substitute; that if Elliott was shown to have been properly appointed a volunteer substitute he would be entitled to have this bounty warrant applied on the South half of Section 18, Township 49, Range 21, West of the 4th Meridian, if that land was available, as it appeared from our papers that Elliott's agent had filed the warrant with our Agent prior to the expiration of the period allowed for the location of such warrants.

By letter of 6th February following, Agent Ferguson reported the said South half of 18 as open for settlement, and we thereupon again told the Commissioner that if Elliott could prove that he is the properly appointed substitute of the volunteer, the half-section in question would be available to locate the warrant thereon. Nothing further is heard about this

A.M. Burgess, Esq.,

case will be receipt on the 15th. instant of Mr. Elliott's declaration that his warrant has been lost in our Land Office.

We have Mitchell's declaration that he consents to the substitution of Paulett Elliott. This declaration appears to me to be clearly sufficient for our purpose.

Copy to A.D.L., Edmonton.

OTTAWA, 5th September, 1928.

Sir,-

N.W. ¼ Sec. 2 Tp. 52 Rge. 1 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

All records
J.H.J.

According to sketch and description on file the school site is in Legal subdivision 9 of the section.

When application for this site was received, the South half of the North half of the section, in which the school site is located, was vacant, but there was a squatter, H.W. Hunt, on it who was waiting to make entry after survey. He did so and secured patent in 1897. He relinquished in favour of the school district his rights as a squatter to the school site, and in case of revestment of the school site he or his estate would have a reasonable claim to it.

Therefore, inasmuch as this land is not being used for the purpose for which it was granted, I would suggest that the grantees be requested to take action necessary to have this land revested in His Majesty King George the Fifth in the right of the Dominion of Canada by duplicate certificate of title free of encumbrance, registered in the Land Titles Office for the district in which this land is situated, without cost to the Department, a copy of such letter to go forward to the Agent of Dominion Lands at Calgary, Alberta.

Re: Special Grant No. 1172

By Letters Patent of date the 18th November, 1896, certain lands were conveyed to Pleasant Valley School District No. 329, Innisfail, Alberta,

> "TO HAVE AND TO HOLD the same unto the said Corporation, its successors and assigns forever, for a School Site and for school purposes coming within the purview of Section 31 of the Dominion Lands Act, and for no other purpose or purposes whatsoever."

These lands are as follows:

Part of the North half of Section 6, Township 35, Range 26, West of the 4th Meridian , area two acres.

As you are aware, at the request of the Department, inspections of all special grants for specific purposes are being made, with the result that in this case information has been submitted by Inspector Kembry under date the 7th of September, 1929, to the effect that a school built on this land in 1894 was torn down in 1920, and erected on the North East quarter of Section 1, Township 35, Range 27, West of the 4th Meridian. The grant site is vacant and contains no improvements and is still in possession of the school authorities. The name and address of the secretary of the school board is given.

The North East quarter of Section 1, Township 35, Range 27, West of the 4th Meridian, was patented to the Calgary and Edmonton Railway Company and therefore the Department has no interest in how the new site was obtained.

According

acceptable to the Department, it will be returned to you with an explanation of wherein it requires alteration or amendment.

Commissioner.

"TO HAVE AND TO HOLD the same unto the said Corporation, its successors and assigns forever, for a School Site and for school purposes coming within the purview of Section 31 of the Dominion Lands Act, and for no other purpose or purposes whatsoever."

These lands are as follows:

Two acres in the North half of Section 6, Township 35, Range 26, West of the 4th Meridian.

An official of this Department recently made an inspection of this property and has reported that a school formerly located on this site was torn down and moved away and this land is not now used for the purpose for which granted.

Wherefore, inasmuch as this land is not being used for the purpose for which it was granted, you are hereby requested to have executed an absolute and unconditional transfer, in duplicate, with proof of execution attached, to be forwarded to the Department for approval, revesting this property in His Majesty King George the Fifth in the right of the Dominion of Canada, free of encumbrance.

Upon approval by the Department, both copies of this instrument will be returned to you, and you will be required to submit this transfer, in duplicate, with payment of the fee required, to the Registrar of Land Titles at Edmonton, Alberta, for registration, and thereafter forward duplicate certificate of title to this Department.

Madam,

RE-2 acres in N.½ of Sec. 6, in Tp. 35-26. W. 4th Meridian.

In reply to your letter of the 10th ultimo, I beg to advise that Departmental records indicate that the land above described was vacant when application for it as a school site was received from the Pleasant Valley School District No. 329, and that nothing was paid to anyone for it.

The Department has no interest in the new site obtained by the School District in the North East quarter of Section 1, Township 35, Range 27, West of the 4th Meridian, apparently from the Calgary and Edmonton Railway Company, nor in the price you paid for it.

The two acres in the North half of Section 6, Township 35, Range 26, West of the 4th Meridian, were retainable only so long as used as a school site and for school purposes. Its having been abandoned as such necessitates its return to the Crown.

Kindly, therefore, take action immediately as requested in my letter of the 15th April last.

Re: Account of Joseph A. Rivest
S.W. 34-13-6-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, forage [illegible] relief amounting to $[illegible].45 were advanced to Joseph A. Rivest on the security of the above mentioned land. A payment of $27.30 was received in 1915 and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 183.38	$ 334.96	$ 518.34

Patent was issued in the name of Joseph A. Rivest for the S.W. 34-13-6-W4 on the 10th of September 1914 and later became subject to the 1915 liens.

In 1930 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title reverted to the Crown in the right of the Province.

In reply to our questionnaire of the 5th of November 19[illegible], V.A. Reed, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"Kindly be advised that this quarter comprises part of the land held under Grazing Lease No. 34340 by Charles M. [illegible] of Medicine Hat, Alberta, whose lease does not expire until November 1st, 1971.

According to an inspector's report on file it is [illegible] only be considered suitable for grazing purposes and it is unlikely that it will ever be used for any other purpose."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our liens. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

I herewith please find a rough sketch showing the shape of matters in this case -

As I did not make a subdivision, I did not make particular enquiries as to Dunbar's claim - but as I saw both Dunbar and his son at work on the enclosures as shown on sketch I believe his (Dunbar) occupation is correctly shown -

The matter is occasioned by the correction to the errors on the 5th Mer. and adjacent extensions made under your instructions of last season

Memorandum

John Dunbar settled in 1886 on the North-east quarter of Section 32, Township 9, Range 30, West of the 4th Meridian. The outline between Ranges 29 and 30 was surveyed but the township was never subdivided on account of a large error on the 5th Meridian which had to be corrected before we could undertake the sub-division and this correction was only made last summer.

Mr. Dunbar and his neighbours settled according to the posts on the outline between Ranges 29 and 30: the effect of the correction on their improvements is shown on Mr. Wilkins' sketch underneath.

I presume that there must be some way of adjusting the matter so as to give to each man his own improvements.

Respectfully submitted,

Surveyor-General.

Mr.Wilkins' survey is to be accepted, and I presume it is, further reference will not call within the petition as applies to hereafter. You will observe that he asks for 2 areas from off the East side of L.S.8 of Section 36 and the same width from off the Easterly side of L.S.5 of Section 31. As I think it would meet Mr.Hunter's views if we granted the Southerly area only of L.S.8 and 5 all of L.S.5 and the S.E.of L.S.6 of 36-1-W4 and all of L.S.4 and the E.½ of L.S.7, All of 12 and the S.E.of 13 in Section 31-1-W4 the... If he has any more land,let it surround the S.E.of L.S. 6 of Sec.36 & the E.½ of L.S.7 of Section 31. That will cover all he asks in his petition,the area not affected was on L.S.3 of 36 and L.S.2 31. If,however,the Wilkins Survey is to stand,then don't locate Hunter with,even then I do not consider it essential to call a survey still 2 chs. in width extending for ...along the valley as it is at this point. If a man is to be put to the cost of a land application of less than one mile it must be for the full amount. If the Wilkins survey is to stand,I will be glad

Wilkins' survey, mentioned by Mr. Pearce, is no doubt to hand. The plan of Tp 9 R 29 by Wilkins is approved and now being printed. It includes the survey of the line between ranges 29 & 30 which was run in 1895, as well as the survey which was made last year.

There is no plan made of Tp 9 R. 30 as there is no subdivision, but the land applied for is of course sufficiently surveyed.

Below is a sketch to show Mr. Dunbar's application for homestead and Mr. Pearce's proposal.

Memorandum:-

Mr. F. Dickson in his letter, dated Macleod the 7th ultimo, enclosed a statutory declaration made by Mr. J.J.Dunbar, respecting his claim to homestead entry, as a squatter prior to survey, for the N.W.¼ of section 31, formerly 3, range 25, west 4th meridian. In his declaration it is stated that Mr. Dunbar since 1901 continuously resided on the said quarter section; that he now has a mile of fencing and has cultivated an area of not less than 5 acres, that ever since going into occupation of the said land in question, he or a muche in the vicinity, has never been absent from the said land, and that he has built a house, in which [illegible] upon the S.W.¼ of the said section.

The said N.W.¼ of section 31 is vacant [illegible] of the Department and the railway belt. The plan of survey, dated 17th January, 1907, and [illegible] Mr. John Dunbar are based on the plan of survey of the N.W.¼ of section 31.

On the 4th January last Mr. J. Paisley was given leave of absence as a homestead the S.W.¼ of section 31 (3-25-4), but he has not yet [illegible] Department. In a letter to the Department, dated 27th January, last, Mr. Dunbar stated that he had [illegible] on the N.E.¼ of section 36, [illegible]

J.W.Greenway, Esq.,
Commissioner of Dominion Lands.

[illegible] township 9, range 29, west 4th meridian, and that the correction survey placed his house on the S.W.¼ of section 31, township 9, range 29, west 4th meridian, and other buildings on the S.W.¼ of section 6, township 9, range 30, west 4th meridian. He was told that the Department would grant him entry when the land was surveyed as nearly as possible so as to cover his improvements. In reply to a letter dated 3rd November, 1916, Mr. Dunbar stated :-

"I am to apply to purchase the W.½ of the N.W.¼ of "sec.31,Tp.9,Rge.29, and also the E.½ of the "N.E.¼ of sec.36 ,Tp.9,Range 30,west of the 4th meridian, "containing 160 acres. I also wish to purchase a piece of "land (2½ acres) out of the North West corner of the "S.W.¼ of above sec.31; 1 chains east and west and "2½ chains north and south,also a small piece out of "the North east corner of the South west quarter of above "sec 36 as will by cutting off these corners add to the "land survey made by D.L.S. Wilkins.

"I may say I also purchased three small "pieces of land in the above named township 9 Range 29 "from the Hudson Bay Co. but they will not suit me, "as I want more from the south part of those sections to "make up what is there. There are other settlers located on the "as well as myself. I am willing to give any other "claims the same amount of land as parts of 31 and 36 if I "obtain the above. I offer $...per acre for this "land. If you require more than the fully I do not and do not crowd my "neighbours."

Mr. Dunbar's request was then submitted to Mr. Wm. Pearce, then Superintendent of Mines, who in accordance with his recommendation Mr. Dunbar was permitted to enter as a homestead for the N.½ of Local subdivision 1, and the S.½ of Local subdivision 12, and the whole of local subdivision 13 of section 31, township 9, Range 29, W.4M., the W.½ of Local subdivision 6, the S.½ of local subdivision 10, and the whole of local subdivision 9 of section

section 36, in all 1[illegible] acres, and to purchase the N.½ of Legal Subdivision 13 of section 31 and the N.½ of Legal Subdivision 14 of section 36, shewn on the sketch attached hereto; but this decision was never carried out by Mr. Dunbar and no further correspondence in relation thereto has taken place until now.

The whole of the N.E.¼ of section 36 was entered for by John A. Dunbar, but when a patent was issued on the 7th July, 1[illegible], as already stated, Mr. Paisley was recently given permission by Mr. Dunbar as a homestead for the whole of the S.W.¼ of section 31, upon which Mr. Dunbar alleges his house is built. Such house is probably on the N.½ of Legal Subdivision [illegible], as it was originally proposed to include it in the homestead entry. It will also be observed that Mr. Dunbar in his present application, asks to have his house is built on the S.W.¼ of section 31, as he now only wishes to acquire the land upon which it is built.

I think Mr. Dunbar's present application for homestead entry for the N.W.¼ of section 31 should be granted, [illegible] unless he can show a parcel of land comprised in the S.W.¼ of section 31 [illegible] which has been in reality his residence and which can be claimed as residence by him homestead. Under the circumstances it appears necessary to call Mr. Dunbar's attention to this fact, and also to instruct the Agent in the meantime not to grant Mr. Paisley entry for the S.W.¼ of section 31.

Sir,

Referring to your letter of the 8th instant, covering statutory declarations of J. C. Dunbar and W. C. Dunbar in regard to their claims as settlers prior to survey on the S. E. ¼ Section 11, Township 9, Range 22, West Fourth Meridian and the S. E. ¼ Section 1, Township 10, Range 23, West Fourth Meridian, respectively, I am directed to say that the Agent of Dominion Lands at Lethbridge has been instructed that Mr. J. C. Dunbar may obtain entry for the S. E. ¼ Section 11, but that unless he acquires the actual settlement rights in the S. E. ¼, in which he has been in occupancy, such occupancy will not be counted as residence on the homestead. Please call Mr. Dunbar's attention to this fact. I am further to say that permission was recently given to Mr. J. Wisley to enter for the whole of this S. E. ¼ of Section 11, but the Agent has been instructed not to grant the entry meantime.

With respect to the application of Mr. William C. Dunbar for the S. E. ¼ Section 1, Township 10, Range 23, West Fourth Meridian, I am directed to say that the Agent of Dominion Lands at Lethbridge has been instructed that as the plan of survey is dated the 1st May, 1897, and as Mr. Dunbar appears to have been in continuous residence since 1889, he may be granted homestead entry for the land.

Sir,-

In answer to your letter of 22nd. ultimo re S.W.¼, S. 31, T.9, R.29, W. 4th. for which application has been made by J. Paisley and upon which J. J. Dunbar has his house, after consulting Mr. Dunbar the only way out of this difficulty that suggests itself to us and the one interfering least with Mr. Paisley which Dunbar is loath to do is that the latter be allowed to acquire 2 acres square out of the N. W. corner of this S. W. ¼, which would include the ground on which his house is. I therefore hereby make application on behalf of J. J. Dunbar that he be allowed to acquire it either as a part of his homestead the N. W. ¼ of the same section, or by purchase as the Department may deem best.

Yours faithfully,

W.F.J.

Ref. 39897

Department of the Interior,
Ottawa, 4th October, 1905.

With reference to Mr. Coté's memorandum of the 1st August last, to Mr. Treadway, relative to Mr. J. J. Dunbar's claim to homestead entry as a squatter prior to survey for the N.W.¼ of Section 31, Township 9, Range 29, West 4th Meridian, I am to say that Mr. T. Dickson was duly informed that he was instructed that Mr. Dunbar might obtain entry for the said quarter-section, but that, unless he acquires the parcel of land comprised in the S.W.¼ on which he had been in residence, such residence could not be counted as residence on his homestead. Mr. Dickson now states in his letter of the 12th ultimo, recent that, after consulting Mr. Dunbar, the best way out of the difficulty and the one interfering least with Mr. Paisley, who desires to enter for the S.W.¼ of Section 31, would be to allow Mr. Dunbar to acquire two acres square out of the N.E. corner of this latter parcel, which would include the ground on which his house was built. Mr. Dickson, therefore, makes application on behalf of Mr. Dunbar that he be allowed to acquire these two acres, either as a part of his homestead or by purchase.

In view of Mr. Dickson's letter, I think this matter could be adjusted by permitting Mr. Dunbar to acquire the portion mentioned of the S.W.¼ of Section 31, as a part of his homestead; and that Mr. Paisley might be permitted to enter for the balance of the quarter-section.

Sir,

I am directed to acknowledge the receipt of your letter of the 18th ultimo, in which you ask that Mr. J.J.Dunbar be allowed to acquire two acres square out of the N.W. corner of the S.W.¼ of Section 31, Township 9, Range 29, West Fourth Meridian, which you state would include the ground on which his house is built, and request that he be permitted to acquire the two acres as a part of his homestead, the N.W. ¼ of the same section, and in reply to say that it is not quite understood here what meaning you intend to convey by the phrase two acres square. It is thought, however, that what you desire is that an area comprising two acres only of the quarter section in question should be included in Mr. Dunbar's homestead, and that these two acres should be in the form of a square; and I am to say that there would be no objection to a request such as this being complied with. If, therefore, this conclusion is correct, the matter may be adjusted by permitting Mr. Dunbar to acquire the portion mentioned in the S.W.¼ of Section 31, as a part of his homestead and Mr. Paisley may be permitted to enter for the balance of the quarter section. A copy of this letter is being sent to the Agent of Dominion Lands at Lethbridge for his information.

MEMORANDUM:-

Mr. John J. Dunbar was permitted to acquire two acres in the form of a square out of the N.W. corner of the S.W.¼ of Section 31, Township 9, Range 29, West of the Fourth Meridian, which it was represented would include the grounds on which his house was built, and Mr. J. Paisley permitted to purchase the balance of the quarter Section. This decision was arrived at as far back as October, 1905, (The late Mr. Goodeve's memorandum, marked), and such decision duly conveyed to Mr. T. Dickson, Barrister of Macleod, who was acting on Mr. Dunbar's behalf.

Mr. Paisley was duly granted entry for the quarter section in question, exclusive of these two acres, and a patent was issued in his [illegible] 27th November, 1907.

The addition, however, was not made to Mr. Dunbar's homestead, and he now writes stating that he mislaid the Departmental communication to Mr. Dickson conveying the decision, and asks that a copy of such letter be sent to him.

Mr. Dunbar evidently still desires to secure the two acres in the manner indicated, and I see no objection to the decision arrived at being carried out.

Mr. Dunbar has not yet made his application for patent.

Advertising to the patent which was issued in your favour on the 25th November, 1907, for the S.E.¼ of Section 31, Township 9, Range 28, West of the Fourth Meridian, I am directed to point out that entry was granted to you for this quarter section exclusive of two acres in the N.E.corner of the quarter section on which it had been represented that Mr.J.J.Dunbar's house had been erected. The decision under which Mr.Dunbar was allowed to acquire these two acres was based on representations made that they included the ground on which his house had been built. Mr. J.Pairly was granted entry for the S.W.¼ of the section exclusive of these two acres, and a patent was issued in his favour on the 27th November, 1907. two tenements, which consist of two log houses valued at $150.00 and $175.00, were sold by John A. Dunbar, and that he (John A. Dunbar) had been residing on the two acres for the last ten years; also that J.J. Dunbar had resided continuously with his father on the two acres.

It would appear further that John A. Dunbar, [illegible] of section 32, Township 9, Range 30, West of the 4th Meridian, was entered upon a homestead on the 9th July, 1904, before he became the two acres, in order that he may have capacity to enter and that he may have a legitimate title, and that he claimed prior right to purchase since he is being a bona fide settler.

It is clear from the evidence that the [illegible] of J.J. Dunbar was permitted to acquire only two acres, namely, that his homestead was built thereon, to incur costs, and that according to declaration in his application [illegible] of the N.E. ¼ of the portion, which contains two hundred and [illegible] more or less, according to the Dominion Lands Survey from the 15th August, 1904, to the 27th October, 1905.

With respect to Mr. John A. Dunbar's claim, he had no authority to do the construction and improvements on the property. If it is supposed, however, to consider his application favourably, Mr. [illegible] to exercise a choice in the [illegible] and it would seem that he willing to do so.

Trading without [illegible] which Mr. J.J. Dunbar's homestead, entered for on the 15th September, 1905, is there [illegible] green, the homestead of J.A. Dunbar, entered to him on the 9th July, 1904, hatched in blue, J. Paisly's homestead, entered to him on the

was allowed to homestead the balance of the quarter
section. This decision was apparently not so far back
as October, 1908. Mr. Fately has duly erected entry
for the [illegible] in question, exclusive of those
two acres, but the application was not passed to Mr. J.J.
Dunbar's homestead, and the patent for the quarter and
[illegible] issued to Fately exclusive only of
the roadway covering the two acres.

Mr. J.J. Dunbar subsequently made application
for the two acres, and received payment at $2.00 an

from his petition, the patent that his residence had
been entirely on his homestead, the N.W.¼ of the section,
which prevented from [illegible] not quite 2 c.

It would now seem from the homestead inspector's
report and declarations made by Mr. J.J. Dunbar's father,

Two acres in the N.W.corner of the S.W.¼-31-9-~~2~~W.4th M, conflicting claims of J.C.Dunbar and John A. Dunbar. Homestead of W.A.Paisly.

The decision in the case was that, as the first step, Mr.Paisly should be asked to release the two acres to the Crown.

Mr.Rothwell, who was asked to prepare, for execution by Mr.Paisly, the required form of transfer, now states in his memorandum of the 1st instant, that the proper and least expensive course of action to take in the case would be to have the transfer prepared in accordance with the provisions of the Real Property Act by the local agent of the Department of Justice.

No decision has yet been arrived at as to who is to be granted these two acres, and the transfer to which Mr.Rothwell alludes would, therefore, have to be executed in favour of the Crown. (See the last paragraph but one of his memorandum).

Sir,

I am directed to inform you that homestead entry was granted to Mr. Kisly, of Leolod, Alberta, for the S.E.¼ of section 31, township 9, range 20, west of the fourth meridian, exclusive of two acres in the north west corner of the quarter section on which it had been represented that Mr. J.J. I.D.L. wrote me full of Mr. J.J. Hunter, and if he entered the necessary action to be taken to re-vest the two acres may be some satisfactory method be followed:-

All that portion of the homestead entry of Kisly comprising the two acres in the north west corner of the quarter section on which the house of Mr. J.J. Hunter is situated, be cancelled and the two acres be re-vested in the Crown.

Sir:- Re the N.W 1/4.31-9-29 West of the 4th. Meridien.

About twenty years ago, Mr.J.J.Dunbar settled on this land and that was long before subdivision of the country. He built a house and out buildings accordings to the honest intentions of a settler, but after the sub-division was made he found that the house was on his fathers place which was as I understand granted, yet I am not satisfied that the house was not on the property of one J. Easley who joines. I cannot get from Mr. Dunbar proper instructions although I know that he has lived there for years because I go up and fish in there, every year and have killed some nice deer there also. Hence I know. Mr. Dunbar wishes me to ask your Department to inform me as how the land is titled and what he is to get .

Dunbar has lived with his father all of the time and is a single man yet he has nothing than recollections as Mr.W . Gardiner has his papers(ex customs collector) and Dunbar cannot get them . He informs me that title was to issue some years ago but it has not been received and Mr.Dunbar is anxious to have the matter wound up. Kindly look into the matter and forward all the information you can re this mix up. Thanking you in anticipation;

Yours truly,

Conflicting applications of John J. Dunbar and John A. Dunbar, to secure two acres of land in North West corner of the S.W.¼ 31, 9, 29, W.4, excepting thereout .5 acre for a roadway. Land available having been revested in the Crown.

The facts in this case are fully stated in your memorandum to the Commissioner, beneath, dated the 5th October, 1909.

The Homestead Inspector's report called for in this connection, in accordance with the Commissioner's directions, written on your memorandum of the 7th August last, beneath, has come to hand. The Inspector informs the Department that he visited the land on the 8th November last and found that John A. Dunbar, aged 83 years, had died that morning. He states that it would appear from enquiries made, that this person placed the improvements on the land. The Inspector is of the opinion that the son, John J. Dunbar, is entitled to the land, as he provided the means for his father's keep during the past few years, when he was unable to work on account of old age.

The application of John J. Dunbar for homestead patent, (dated 27th October, 1908) for the N.W.¼ of Section 31, has been stayed pending a decision in this case.

Mr. Joseph Hicks, barrister, in a letter dated the 16th December last, attached to file 687954, herewith, makes application on behalf of John J. Dunbar to purchase Legal Subdivision 8, of Section 36. Mr. Hicks states that Mr. John A. Dunbar settled as a squatter on the land in 1886, before survey, and built a house, stables and corrals. He contends that, as the applicant

LAND PATENTS BRANCH,

Ottawa, February 4th, 1914.

MEMORANDUM:

The letter from Mr. J. J. Dunbar attached to your memorandum of the 17th ultimo, herewith, in connection with which you have asked for a report having reference to his application for homestead patent for the N. W. ¼ of Section 31, Township 9, Range 29, West of the 4th Meridian, and to his application to purchase a small parcel of land on which his improvements stand.

The land on which are situated the applicant's improvements, as well as certain improvements made by his father the late John A. Dunbar, is a small area comprising 2 acres in the N. W. corner of the S. W. ¼ of the said Section 31, and 100 yards square in the in the N. E. corner of the S. E. ¼ of Section 36, Township 9, Range 30 West of the 4th Meridian. This land is vacant. In May last, the Homestead Inspector reported that this was the land the improvements covered and he recommended that it be sold to J. J. Dunbar as he had resided on such land with his father for years. It would seem that it was due to an error in the original survey that these improvements were erected South of the quarter sections homesteaded. The homestead of the late Mr. John A. Dunbar, which was patented in July, 1904, is the N.E. ¼ of the said Section 36. Mr. Joseph Hicks, Barrister, of Macleod, Alberta, who has been writing in Mr. Dunbar's behalf, was advised in July last, that before the application to purchase the parcel could be further dealt with it would be necessary that a certified copy of the Letters Probate of the Will of the late John A. Dunbar be filed here. This document has not as yet been received.

J. W. Greenway, Esq.,
Commissioner of Dominion Lands.

AS

As regards Mr. Dunbar's application for homestead patent, which was recommended by the Agent in April, 1909, it would appear that it was the intention of the Dominion Lands Branch that no action should be taken on the application until a decision was reached in regard to the disposition of the land on which the improvements were placed.

The parcels referred to are indicated on the sketch herewith.

"be sold to J.J.Dunbar as he has
"resided on this land with his

"land at $6.00 per acre. It appears
"that these buildings was erected
"too far south, due to an error
"in the original survey when the
"line running east and west was lo-
"cated about 8 rods south of the
"present line."

The matter now stands this way:

J.A.Dunbar obtained patent for his homestead and has since died.

J.J.Dunbar cannot obtain patent for his homestead until he is allowed to purchase the two acres on which he lived.

It is evident that both these men lived on the parcel in question, and it would appear evident that the error occurred owing to a fault in the survey.

Under these circumstances, I think that J.J.Dunbar had as much right to the land as J.A.Dunbar. The former is still in residence upon the land.

I would suggest that the original intention of the Department to sell the two acres to J.J.Dunbar be carried out.

If this course is followed, there will be no need to await the receipt of Letters of Administration of the estate of J.A.Dunbar, and the Department would be in a position to at once deal with the application for patent for the S.E. of 31.

It is a question as to whether Mr. J.J.D. should be allowed to purchase that portion of L.S.D 8, of Section 36, on which his improvements are situated [illegible] the full Legal Sub-division as applied for.

It was later ascertained that Mr. Dunbar had, owing to an error, resided upon the S.E. corner of the N.W.¼ of 31, and still later, it was ascertained that some of the buildings (not the house) were on a small parcel of land [illegible] feet square, situated on the S.E. corner of the S.W.¼ of 36- 3- 11- W. 4th M. A glance at the attached diagram will show how these various parcels of land are situated.

It was decided to sell Mr. Dunbar the two acres in question, but before this action was taken, Mr. J.A.Dunbar, the father of the homesteader, represented that he had located upon the two acres in question, and that he was entitled to purchase it.

[illegible] the matter was discussed, [illegible] to an error, [illegible] for the full area of the N.W.¼ in favour of Mr. Dunbar.

granted entry for the quarter-section exclusive of the two acres.

After a considerable amount of correspondence, Paisley re-transferred the two acres to the Crown, and this parcel is now available for disposal.

J.J.Dunbar has put in an application to be permitted to purchase Legal Sub-division 8, of Section 36- 9- 30- W. 4th M.

Homestead Inspector Scott's report of the 6th December,1913, reads as follows:-

"I have the honour to acknowledge receipt of your letter dated "the 23rd August, your file 10449, "and in reply to say that on the 5th "Nov., I visited the land with a view "of getting the necessary information "but on my arrival I found that Mr. "J.A.Dunbar who was 83 years of age "had died about 10 A.M. that morning. "From inquiries I made, it appears "that while Mr. J.A.Dunbar, deceased, "made the improvements on this land, "owing to his age for the past few "years he has been unable to do any "work and his son, John J. Dunbar, "has had to work to provide the means "for their keep, so that under the "circumstances he would appear to be "entitled to the land in question."

A further report from the same Inspector dated the 7th May,1914, is to the following effect:

"I have the honour to acknowledge the receipt of your letter "dated the 12th March, your file "[illegible], and in reply to say that I "visited and inspected L.S.D.8- 36- "9- 30, which Mr. J.J.Dunbar has "applied to purchase and find that "the following improvements are lo- "cated on about 100 yds square in "the N.E. corner of L.S.D.8- 36-9-30:

"Stable.....20 X 30.....$50.00
"Shed.....20 X 15.....$50.00
"Store-house 12 X 20.....$25.00
"Store-house 8 X 15.....$15.00

Homestead of J. A. Dunbar,
Patent issued July 1904.

N.W.¼ of 31--9--29, W. 4th M.
Homestead of J. J. Dunbar,
Entry granted 13th Sept. 1905.

In this case it has been decided to sell the two acres on which his residence duties have been performed to Mr. J. J. Dunbar.

I am under the impression, however, that under a ruling of the Department when the proceeds of a sale amount to less than $20.00 the purchaser is called upon to pay a patent fee of $10.

In view of the special circumstances of this case, do you think that the payment of the patent fee could be dispensed with.

The Department is merely selling this land to Mr. Dunbar in order to grant him an opportunity of taking advantage of the residence [illegible] performed through an error in connection with his homestead entry.

The purchase price amounting to $12.00 should be remitted the Agent of Dominion Lands at Lethbridge without delay and upon payment for this land has been reported by him your application for patent will be at once dealt with.

Sir,

Adverting to my letters to you of the 10th July last, and the 23rd December following, I beg to inform you that Mr. John James Dunbar was recently advised that he might purchase the small parcel of land in the S. E. corner of the N. W. ¼ of Section 31, Township 9, Range 29, West of the 4th Meridian, (1.50) acres) on which some of his improvements stood, and that upon payment being remitted here his application for a Crown Patent for the N. W. ¼ of the same section would be dealt with. I would further state for your information that Mr. Dunbar is to-day being advised that the Department cannot see its way clear to selling him the portions of Subdivision 8 of Section 31, Township 9, Range 29, West of the 4th Meridian, on which improvements have been placed, and that it will be necessary for him to remove the improvements from the parcel.

You will observe from the foregoing that it will not now be necessary for Mr. Dunbar to furnish the Department with letters probate of the will of his late father, John A. Dunbar.

With reference to your application to purchase the south half of Lsd subdivision 8 of section 33, township 9, range 20, west of the 4th meridian, containing 160 acres, on which some of your improvements are situated, I beg to inform you that careful consideration has been given your application, but the Department cannot see its way clear to allow you to acquire this land, and it will be necessary for you to remove your improvements therefrom.

Referring to the Provincial letter in the matter, dated Lethbridge, 7th instant, in which you forward two copies of that letter, I beg to inform you that it was due to an oversight that this area was omitted from the original sale by the Province, and it was also overlooked at the time of making the original receipt no.9743 for $7.00 was sent to you in my letter dated March 2nd, 1914, which letter was offered in payment for the land in question. You will, therefore, observe that it will only be necessary for you to remit a payment of $1.00 in this connection.

Gentlemen,-

As the Department is about to proceed with the issue of letters patent for the minerals underlying the East Half of Section 9, Township 6, Range 30, West of the 4th Meridian, I beg to remind you that the Calgary and Edmonton Railway Company, by instrument dated the 11th February, 1896, authorized the Department of the Interior to issue patent to this land in the name of Donald Bell of Pincher Creek, Alberta.

A copy of the request for the issue of this patent is attached hereto, and I am to advise you that letters patent for the minerals underlying the lands above described will be issued to Donald Bell, the nominee of the Calgary and Edmonton Railway Company.

Your File 397607

Dear Sir:

We have your letter of May 29th with its enclosures and advice that this underrights patent will issue to Donald Bell as the nominee of the Calgary & Edmonton Railway Company.

We are instructed by the Calgary & Edmonton Railway Company to advise the Department that Donald Bell is not the nominee or assignee of the Railway Company with respect to these minerals, patent for which should therefore be issued to the Calgary & Edmonton Railway Company. We would therefore respectfully ask that no further action be taken by the Department until say August 1st next in the direction of issuance of patent to these underrights to any other than the Calgary & Edmonton Railway Company. By the date named, we shall hope to have submitted to the Department complete proof of our client's claim, so that underrights patent may issue accordingly.

The request for patent, copy of which you enclosed, was intended, we submit, by all parties concerned, as limited to the surface. Donald Bell was our client's purchaser under Agreement expressly reserving the mineral rights. We can produce the original of this Agreement for the Department's inspection. At the time request for patent was made, the Crown disputed our client's rights to the minerals, which was only settled by the judgment of the Privy Council (1904 Appeal Cases, Page 765) but the Department received and acted upon the request as not extending to the minerals, and so far as we are aware, the surface patentee has never made any claim thereto. Certainly no proper claim could be made by him in the face of the express conditions of the Agreement of Purchase.

If the Department is not prepared to concede our client's claim to the minerals forthwith, we shall hope to be advised by return that the matter will stand in its present position meantime.

Yours truly,

MUNSON ALLAN LAIRD DAVIS HAFFNER & HOBKIRK,

28th November, 1929.

Dear Mr. Davis,

Re Calgary & Edmonton Railway Land Subsidy.

In connection with the issue of the patents for the minerals underlying the lands scheduled hereunder it is found that the requisitions for the issue of the surface patents in the names of the nominees were made by the Calgary and Edmonton Railway, whereas the Agreements of Sale, which you recently forwarded to the Department, were made by the Calgary and Edmonton Land Company.

The sale of these lands to the nominees having been made by the Calgary and Edmonton Land Company, it is assumed that the lands were assigned by the Calgary and Edmonton Railway Company to the Calgary and Edmonton Land Company but the assignments have not been filed in the Department. Before patent to the minerals in these lands can be issued to the Calgary and Edmonton Land Company, it will be necessary that the assignments under which the Land Company acted in the disposition of the surface be filed with us.

However, if you desire patents to issue to the Calgary and Edmonton Railway Company, it will be necessary to file with us the necessary documents to complete the chain of title, and showing conclusively that the minerals were retained by the Railway Company in the transfer to its assignee, the Calgary and Edmonton Land Company.

OFFICE OF GEORGE ALEXANDER

KASLO, BRITISH COLUMBIA.
(P. O. BOX 122.)

W. Pierce, Esq.,
Inspector of Surveys,
Calgary.

Nov. 4, 1901.

Dear Mr Pierce:-

I should be much obliged if you would let me know whether you would assist us by your approval of the following change which we are very anxious to make. Years ago, when I was taking up our ranch at Mosquito Creek, and spending there a great part of each year, I homesteaded the W 1/2 of 2, 16, 29 W 4th (being the half nearest our ranch buildings), and purchased the E 1/2 of same section. I lived there a great part of the time necessary for qualifying for homestead and preemption, but not quite enough, and it is now I suppose too late to do anything with regard to that: but it would be a great convenience to us to be allowed to exchange the E 1/2, which has been purchased, for the W 1/2, which I was not able to complete the homesteading of by sufficient residence at the time. I should be greatly obliged if you would let me know whether there would be any objection to this change being made. The quality of land is the same in both cases, but the W 1/2 adjoins other lands purchased by us.

S 1/2 of N 1/2 3, 16, 29 W 4th, is a water reserve. It contains a spring which is of very great importance to the range cattle of that district. In order to prevent the possibility of this spring being enclosed hereafter, owing to the lifting of the reserve at any future time, do you think it would be possible for us to get permission to purchase the land, on undertaking that the spring should never be enclosed as long as we owned it? This would perpetuate the reserve in a manner to which there could I think be no objection. Of course if it were certain that these reserves would never be changed, the matter would not be of so much importance; but the spring is such a valuable one to all the owners of cattle thereabouts that we should not object to go to this expense for the purpose of securing it absolutely for range use, without any possibility of fencing out.

With best regards, believe me,

Yours very truly,

G Alexander

The Secretary,
Department of the Interior,

Dec. 3, 1901.

Sir:-

Replying to your letter of 26th ult., file 397878, with regard to my request to exchange the E 1/2 of section 2, 16, 29 W 4, which has been patented to me, for the W 1/2 of same section, which I homesteaded many years ago, but have been unable to complete by residence, I have to thank you for the offer of permission to complete the residential duties by residence on my purchased land; but I fear it would be impossible for me to take advantage of this offer, unless the residence could be accomplished by a hired man in my place, as it would be impossible for me to be there for some time to come.

Under these circumstances, I thought the best course would be to submit a request for permission to make the exchange in question, hoping that the Department might see its way to accede, in view of the considerable amount of land I have purchased in that vicinity and have occupied for many years, and that the homesteaded 1/4 of section 2 is nearer to the ranch buildings than the 1/2 which has been purchased.

Sir:-

I have to acknowledge yours of 2nd inst., No. 397878 T & M, stating that it has been decided to hold the south 1/2 of north 1/2 of section 3, township 16, range 29 west of 4th, as a water reserve, and that precautions will be taken that no person should interfere with the reserve in question.

In view of the extreme importance of this water reserve to our stock business in the vicinity, and of our frequent applications to purchase the land, in order to secure it as a water reserve, would it be too much to ask that a promise should be made to us to give us the first right to purchase the quarter section in question in the event of the water reserve being released at any future time?

Sir,

Replying to your letter of the 10th ultimo, I beg to say, in regard to the S½ of the N½ 3-16-29 W. 4th M. as a water reserve, that your request that a promise should be made to you, in the event of the land being thrown open to entry, to give you the first right to the purchase of the said land, cannot be complied with. It is proposed when any of these reserves are released from the purposes for which they were intended, to throw such lands open for public competition.

Memorandum.

Please see Mr. Goodeve's memorandum of the 15th November last (marked), relative to Mr. George E. Alexander's request to exchange the E. ½ of 2--16--29, W. 4th, which has been patented to him, for the W. ½ of the same section, which stands as a homestead and pre-emption in his name.

It appears that Mr. Alexander finds it impossible to fulfil his residence on his homestead; and he asks for the exchange as the land now held under homestead entry being nearer his ranche buildings would be of more value to him.

Under the circumstances, and as we have in a few special cases made such an exchange, I see no objection to Mr. Alexander's request being complied with; but it will be necessary for him to file anew a certificate of title re-vesting in the Crown free of incumbrance the E. ½ of the said section.

Sir:-

Referring to yours of 17th inst., No. 397878.

On 6 August last I enclosed to you certificate of title in favour of the Crown, requesting that the patent might be made out accordingly. This letter was answered on 19 August, but by an oversight in your office was incorrectly addressed, with the result that it did not reach me until 27 September, with your request that $10 patent fee should be remitted. On 27 September I returned you a cheque for $10, to which the maximum exchange of 25c was added. The receipt of this was acknowledged in yours of 6 October, which further stated that the matter should be completed in due course. Now I have yours of 17 October, returning my cheque because it is not accepted. It certainly occurs to me that if this objection were to be taken it might have been stated in your letter of 6th inst. so as to avoid any further loss of time. It is the case that the title to the property in question is at present undergoing a readjustment, which makes the present delay in getting this patent issued a matter of a good deal of inconvenience. I should therefore be much obliged if you could arrange to let the patent issue with a little further delay as possible in view of the considerable period that has already been occupied in connection with it. I am enclosing herewith P.O.O., payable to the Secretary of the Department of Interior, for $10, to replace the cheque which you have returned.

Ottawa April 27th, 1906.

Gentlemen,

Referring further to the question of the issue of patents conveying the mines and minerals under lands forming the land subsidy of the Calgary and Edmonton Railway Company, or to the application of the Calgary and Edmonton Railway Company of the 12th February, 1906, for patent for the W. ½ Section 23, Township 32, Range 1, West Fifth Meridian in the name of Bernard Beaver, I am directed to say that this patent was issued accordingly under date 7th March, 1906.

The above-mentioned lands by land have vested in the Calgary and Edmonton Railway Company by the Calgary and Edmonton Land Subsidy Act 1894, and duly registered in the proper land titles office, and the Calgary and Edmonton Railway Company is, under the said enactment, the owner of the lands and minerals. It is therefore futile to attempt to issue patents in favour of the Calgary and Edmonton Land Company for the said lands and minerals.

Your obedient servant,

Messrs. Osler, Hammond & Nanton,

It was decided, however, not to charge the fee, as had the clerk who prepared the fiat for the patent not examined the application for patent and application for entry only, although this is the usual practice, but examined all the papers it is possible that the error might have been discovered before the first patent was prepared. The application for entry and application for patent are however, as before stated the documents which are generally depended upon when a patent is being prepared and under the circumstances it is considered that the expenses referred to in your letter of the 7th September last cannot be paid by the Department.

letter from the local agent were attached to the file. In both of these documents your name is clearly and distinctly written "Herbert Beatty Adshead" apparently in the handwriting of Mr. Thomas Graham Wanless who was your duly appointed Agent for making such entry and for those acts you and the Department are responsible. Consequently the name was written "Herbert Beatty Adshead" in the first patent.

After your letter of the 17th March last was received the papers were again examined and in two others than those mentioned your second christian name was found written as "Beall" and "Beall" instead of "Beatty" although the letters "Ll" in "Beall" are so like the letter "t" that they could easily be mistaken for that letter.

The Department is called upon to cancel a patent because of an error in it and to issue a new one, the practice followed is to take that action free of cost if it is found that the Department is responsible for the error, and to charge a fee of $10.00 where the patentee is responsible for the error. In this case as your name was not set out in full in your application for patent nor was set out in full "Herbert Beatty Adshead" in your application for homestead entry the Department could not be warranted in granting you a fee of $10.00 before issuing the new patent.

Sir,

I am directed to refer to your letter of the 7th September last, in which you claim that because of the issue of a patent in your favour, for the South West quarter of Section 34, Township 28, Range 2, West of the 4th Meridian, in the name : "Herbert Henry Ansstead" instead of "Herbert Henry Ansstead" - your correct name - and because of the cancellation of that patent and the issue of a new one in your correct name, you were put to additional expense in connection with the entries you made to obtain the land, namely to pay for the preparation and registration of two patents instead of one and for the preparation and registration of a discharge of the first of these two patents on account of the error.

I am to inform you that the error would not have occurred had your name been correctly given in full in your application for a patent or in your application for entry, these being the two documents which are invariably referred to when a patent is about to be prepared. In this case as the name is given in your application for patent as "Herbert H. Ansstead" and "H. H. Ansstead" your application for homestead entry was looked up and it and its covering

I also beg to call your attention to the last paragraph of Mr. Bray's memo to his assistant at Calgary. Mr. Pearce seems to have overlooked the fact that while, for purposes of grading a Rd. Pat., the line prior to entry is excluded the applicant's own matter of grace, the applicant for a Pat. must have made his entry 3 years prior to the 2nd June 1889, unless the (and) improvements in which latter case he is entitled to

Messrs Rickards & Sutherland,

Gentlemen,

Re my memo to you on the 18th of February, 1896, No. 19352, fyle 10575, See H. O. letter of the 26th Ult. 398437, and my reply thereto.

The class of cases alluded to, are fortunately not very large, and may be briefly put.

Residences prior to entry, so far as entitling to second entry, can only be counted in cases where the land was unsurveyed, at date of settlement, and Settler has made entry within three months after being notified that the land settled on by him, was open for entry, and such entry has been effected, and three years residence put in prior to the 2nd of June 1889.

Sir,

See yours of the 26th, Ult. 398437,
C. O . fyle C1109.

I must apologize for the mistake made in mine in 2nd paragraph ,regarding the date of the Circular referred to.

The draft written by myself reads as follows; "On enquiring of the late Agent why he granted entry ,he cited a printed C ircular from Mr. Hall,dated the 3rd of August92,which states among othre things ,that the right of second entry has been extended to 2nd of June 1889,I pointed out that was not sufficient &c. &c. &c. By comparing that with what you received you will observe why you could not find the Circular referred to . I trust there may not be many more such errors,but when I write out the draft letters myself,I generally do not read carefully the letter signed ,and even if I did ,if I did not compare it with draft,many errors might creep in ,and I have not the time to compare,nor has such been done in the Office,as force is not sufficient;but if such blunders become numerous ,it will be absolutely necessary to so compare,which however can only be accomplished by increasing the Staff, or lengthening the Office hours.

Regarding the oversight in my memo,mentioned in the 2nd paragraph of yours ,I was aware of that class of cases ,but omitted it for this reason ,that so few cases would occur in the two years between the dates mentioned 2nd of June87,&89,that I thought that class might with comparative safety be ignored. If that class was to be referred to at all,it should be made a special subject,and have done so ,and enclose copy of memo thereon.

I would however respectfully ask to what both the 2nd last word in 2nd paragraph of your letter of the 26th Ult. refers to ,do I understand you to mean that if entry had not been effected on the 2nd of June 89,although three years residence there-on prior to said date had been but in ,that Settler is entitled to 2nd entry,I do not so interpret the Act If my memo ,copy enclosed, does not meet the case ,please advise me what further is necessary.

Sir,

See yours o f the 10th Inst. 398437,

In the copy of affidavit sent me the form used is the one utilized by one who never has had a Homestead entry ,and the applicant swears that he never had one ,at the same time there is endorsed on it "In lieu of Pre-emption" the returns shew that this is an entry for his former Pre-emption ,and the stub of the receppt issued has endorsed on it 2nd entry to former Pre-emption .

The clerk who filled out the application ,was very new to this work and therefore liable to make a mistake ,but I think it is no t likely it passed the Agents hands ,therefore I conclude it must have been incorrectly copied at Head Office.

Please look into this matter and advise me.

Extract from letter from Mr.Peace, dated at Calgary, Feb.[illegible]th., 1[illegible]. No.[illegible], File 10[illegible]., addressed to Comm'r.

See yours of the 14th of May, 1[illegible], Letter No. [illegible], File No.[illegible]. In April last, Campbell was permitted to make homestead entry, there is nothing on file to disclose why entry was granted, and Alexander Finlayson about whom I wrote (see yours of last mt., [illegible]) states that he is prepared to make affidavit that at time he perfected his entry, viz., Oct.last, Campbell had [illegible] his interests were [illegible] one mile [illegible], on an open prairie, so that it is reasonable to suppose he should know what he alleges.

Limit approved.

In reply to your letter of the 14th instant, File 10[illegible], I beg to inform you that upon perusal of the papers in connection with the homestead of Mr.A.Campbell, part of the S.½ of Section [illegible]-22-3 W.[illegible] M., I find from the report of Mr.Homestead Inspector Thompson dated the 20th August, 189[illegible], No.[illegible], that although Mr.Thompson did not see Mr.Campbell personally, he states that, from information received from the neighbours, Campbell was a bona fide and continuous resident on his land from the date of entry, 24th Feb.189[illegible], to the date of inspection. Such being the case, Mr.Campbell would of course be entitled to a second entry.

Sir,

See yours of the 21st Ult. Ref;61109, letter No. 349801, if you will consult your fyle, you will find that there is an affidavit, or declaration, made by Campbell in I think October 1886, from which it would appear at date of said affidavit, he had resided on his Homestead, not more than two weeks, consequently would not be entitled to second entry, that coupled with the assertion of Finlayson, it would appear that action should be taken to cancel his entry to his former Pre-emption the S. W. ¼ of Sec. 36, - 32, - 3, - W. of 5th m. made on the 16th of April, 1891.

Calgary , I3th , May , I896 .

The Commissioner ,
of Dominion Lands ,
Winnipeg .

Sir ,

Your favour of the 8th of May I896 , regarding the second Homestead Entry of Alexander Campbell of S.W. ¼ , Sec . 36 , Tp . 22 , Rg . 3 , West 5th Mn . , granted by me when Agent of Dominion Lands for the Calgary District .

In reply beg to say that without the file before me I find it rather difficult to call to mind the full facts of the case, however I must have been fully convinced after hearing Campbell's statement as to the time he went on to his first Homestead and the way he performed his duties on it or I never would have granted him his second Entry . It will be remembered that he got into trouble and served a term at Stony Mountain, whether this had anything to do with his time on his Homestead or not is more than I can say , but this man is now living on his place and seems determined to do what is right as a citizen although I believe he is very poor. The Quarter Section in question is of no use to anyone but Campbell if I remember correctly the situation , Therefore the Department will be out nothing if they can possibly see their way to give it to him and by so doing keep a settler in the Country. I do not think he is able to get a living off his single homestead of I60 acres and therefore if he does not get his second Homestead he will very likely pull up and leave the Country as a great number are now doing through this district .

This is the best information I can give you of this case from memory but if you require it more fully you will have

You will have to furnish me with the file and I shall only be too pleased to give you all the information on this subject I can .

The Agent at Calgary submits the application of Mr. Charles W. Key to purchase the N. ½ of 10--23--28, W. 4th.

This half-section, which is the cancelled homestead and pre-emption of J. R. Errington, is vacant in the records of the Department, but is within the tract to be irrigated by the Bow River Irrigation Canal. Mr. Dennis has, however, reported (file 33793) that, as the reservation of the water for the canal was made under a Government survey, it would not be advisable to hold the lands which it is proposed to irrigate, until the construction is proceeded with.

In view of this opinion, I see no objection to the parcel applied for being sold to Mr. Key at the current rate and on the usual terms.

Sir,

Enclos:

I beg to enclose herewith papers composing this office file No.14382f, covering the application for homestead patent of Alexander William Fraser, for the S.W.¼ of Section 16, Township 21, Range 3, W.3.M.

It will be observed in this case that whilst there has been continuous residence upon the land from June, 1889 to the 5th February, 1896, with the exception of three months in winter of 1890-91, no cultivation has been done at all, the land being reported as unfit for this purpose; on the other hand, the applicant has ninety-five head of cattle and eight horses.

The Commissioner desires that this matter may be brought to the attention of the Minister with a view to determining whether it may not be dealt with in a manner similar to the case of Henry J.Jones, who received patent under authority of the Order-in-Council of 14th October, 1892.

Sir,

I am directed to acknowledge the receipt of your letter of the 24th ultimo, D. 3844, ref. 18818, covering the application for homestead patent of Mr. Alexander William Fraser for the S.W.¼ of Section 17, Township 21, Range 4, West of the 5th Meridian. I am to point out that this case is not quite identical with that of Mr. Henry J. Jones, because it is observed that Dominion Inspector Thompson reports that there are twenty acres of land fit for cultivation. There is some uncertainty as to whether he reached that conclusion from his own inspection or from a statement submitted to him by Mr. Fraser. If any of this land is fit for cultivation,- even a garden patch,- the Deputy Minister thinks that such cultivation should be attempted in order to comply with the requirements of the law.

A Claim for Homestead Entry by a person who has previously obtained a recommendation for Patent for a Homestead, after three years' residence and cultivation.

I, Alexander Duncan Fraser, of Otaki, Settler,
the claimant, do solemnly declare that I am over eighteen years of age, that to the best of my knowledge and belief the land in respect of which the application is made is not the same specified in any Homestead and Pre-emption entry that there is no person residing upon or cultivating the said land other than myself, that this application is made for my exclusive use and benefit, and that my residence is not upon or cultivation of any land other than the said land, and that no conveyance or transfer has been executed by me or with my knowledge or consent by or from any other person or persons who may have filed a claim to the S.W. quarter-section of Section 16 Township 20 Range 24 of the 4th Meridian, or any portion thereof, on the 15th day of Dec 1884, that I reside upon and cultivate the same for three years and that my said homestead has been recommended to present certificate of which has been signed by the proper Agent of Dominion Lands, and countersigned by the Commissioner of Dominion Lands Duly produced.

Department of the Interior,

Ottawa, 25th March, 1907.

Sir,

I am directed to acknowledge receipt of your letter of the 9th inst., No. 3444, with which, covering the application for homestead entry of Mr. Alexander Williamson for the S.W.¼ of section 4, Township 21, Range 1, West of the 5th Meridian, with report of Mr. Harry J. Jones, stating it is observed that Dominion Inspector Thompson reports that nearly three-fifths of land fit for cultivation. There is some uncertainty as to whether he arrived at that conclusion from his own inspection or from statement submitted to him by Mr. Fraser. If only two-fifths of the land is fit for cultivation,- even a smaller portion,- the Deputy Minister thinks that some cultivation should be effected in order to comply with the requirements of the law.

Sir,

With reference to your letter of the 11th October last, I beg to inform you that the patent for the SW¼ of 12-24-4,W. 5th M., less the area occupied by the right of way of the Calgary and Irrigation Company's canal, is now in course of preparation. The cause of delay in not preparing the patent sooner is owing to the fact that the Registrar at Calgary had to be written to to ascertain the number of the Company's plan of the canal running through the Township in question, which is registered in his office. This information has been received, and it is hoped that in a short time the patent for the land in question will be ready to go forward to the Registrar at Calgary, due advice of which will be sent to Mr. A.C. Dear Sir;

Mrs Sarah Jane Reinhardt who has I understand the privilege of homesteading the S.W¼ of Section 18 Twoship 22, Range 1 West of the 5th Meridian has asked in place of a portion thereof to be permitted to make homestead entry for fractional N.E¼ of 13-22-2 W 5th Meridian 119.13 acres. To enable her to do this, the Company are willing to waive their claim to fractional N.E¼ of 13, accepting in exchange 119.13 acres of legal subdivisions 3, 5, and 6 of S.W¼ of section 18 on the understanding that Mrs Reinhart shall include this land in her purchase from the Company instead of fractional N.E¼ of 13. It appears that Mrs Reinhart is a desirable settler who deserves encouragement, and it is in view of this fact that the Company are willing to make this arrangement. If the Department concur will you please take the necessary steps to have the exchange carried into effect, and give Mrs Reinhard homestead entry accordingly.

Sir,

Re yours of the 23rd instant 371693-Con-144478 on 376919.

I thought Mrs Reinhardt's house was on the S.E¼ 13-22-2- W 4th , but it may be that it is on the N.E¼ 13 never located nor was I nearer to it than one mile and at the time I was there di not pay particular attantion, but I understood from Mrs Reinhardt that she was living on the S.E¼,- In alluding to her Homestead the S.W¼ 18-22-1, she states:

"I hear that some one intends to jump my hst, at the lake because I am not living on it,- There is only a road allowance between the two places and five minute walk will take me there at any time".

Possibly fromt that I obtained the idea that her residence was on the S.E¼ , though when one looks into it closely and bears in mind she owns the N.E¼, as well as the S.E ¼-13 it does not appear certain on which ¼ is her residence.

In discussing it with Mr. Toole of the C.P.Ry. he must have been also of the opinion she was on the S. though he may have concluded she was from the fact that I may have stated she was.

In any event, if she is on the S.E¼, I would suggest the said frac: S.E¼ , and legal subdivision 9 of said section be exchanged for the S.W¼ , 18-If on the N.E¼

877357

N.E¼ then Legal subdivision 8 in addition to said ¼ sec be exchanged. This brings the area as nearly equal as can readily be, and would look like a more equitable exchange and think the C.P.Ry. land Department will have no objection to making either of the suggested exchanges.

Sir,

I am in receipt of your letter of the 4th instant, with applications 14647 and 17341, from Mr. Reinhardt, asking that the location of Mr. Reinhardt's entry be transferred from the S.W.1/4 Sec. 22. 1 T. 5th R., to the Northeast N.E.1/4 or S.E.1/4 Sec. 22. 1 T. 5th R. W. of W., together with, say, the W.1/2 of Sec. 4 and 5 of 18 to make up the 160 acres in homesteads, and that the remainder of the S.W.1/4 if so given in exchange to the Canadian Pacific Railway Company for the right of way, has been received; and the Legal Minister has not found that it will be necessary to require the Reinhardt to pay a fresh entry fee.

I have communicated direct with Mr. Reinhardt, the Department has only instructed the local agent at Prince Albert, acting on the latter to report in due course when the exchange is completed.

Sir,

I am diredted to submit the followire particulars in connection with the homestead of Mrs.Sarah Jane Reinhardt, the S.W.¼ of Section 18, Township 22, Range 1, W.5.

It appears that Mrs.Reinhardt made entry for this land in April, 1894, and while she has done considerable in the way of improvements, and has a large number of stock, she has resided on either the N.E.¼ or S.E.¼ of Section 13, Township 22, Range 2, W.5th M., the information so far received does not disclose which. This Section (13) she and her son bought from the Canadian Pacific Railway Company.

The Inspector reports that Mrs.Reinhardt's homestead is too high to irrigate and is more valuable for grazing than cultivation. He states she is a bona fide settler and has valuable improvements on Section 13, including a good residence where she is anxious to continue to reside.

Mrs.Reinhardt has applied to the Railway Company to exchange a part of Section 13 for the S.W.¼ of Section 18, Township 22, Range 1, W.5, so that she may homestead the quarter-section on which she has been residing, and purchase the S.W.¼ of Section 18 from the Company. She was notified that provided she would pay the sum of $640 on her indebtedness to the Company, her request would be

RECEIVED.

Sir, re Homestead entry of Mrs. S. J. Reinhardt for N.W. 1/4 13 - 22-3 W 5th & N 1/2 L.S. 4 & 5 of Sec 18, 22 - 1 W 5th.

A certificate of recommendation for patent has been issued to Mrs Sarah Jane Reinhardt for the above land on a homestead entry, which certificate is dated 10th May 1899 and was countersigned on 22nd May 1899 by the Commissioner of Dom. Lands.

This certificate is issued subject to indebtedness to the Crown under sec. 19 of chapter 29 of 60 - 61 Vic. for seed grain. Mrs Reinhardt received seed grain for herself and also executed a bond for seed grain for P.W. Garnot and and Edward Hobo. She paid her own indebtedness 3 years ago; and I have to-day seen a receipt signed by the Dominion Lands Agent here for $37.68 paid to-day by Edward Hobo and for $24.75 paid to-day by P.W. Garnot - both receipts being expressed to be in payment of seed grain indebtedness.

I have to-day searched the Land Titles Office here to see if a patent has been received by the Registrar for the above land but find none in his hands.

I suppose the Department has been waiting to send the patent until the bonds against the above lands are paid. Please see that the patent is now cleared of the seed grain indebtedness and sent as soon as possible to the Registrar here.

Yours truly.

ADDRESS REPLY
"TO THE SECRETARY"
DEPARTMENT OF THE INTERIOR
OTTAWA

S.W.

Ottawa October 15, 1903.

MEMORANDUM:

I beg to submit a question which has arisen with reference to the naturalization of a legal representative.

Sub-Clause 1 of Clause 38 of the Act provides that a free homestead patent shall not issue to any person who is not a subject of His Majesty by birth or naturalization. There is an exception provided, but it does not apply to the case I now have before me.

A. M. Welsh obtained an entry for the S.W. 1, 33--6 1--W 5 and died without securing a patent. The necessary proof of the performance of homestead duties was submitted by his widow, who has taken out letters of administration and ranks as the personal representative.

Her husband was an American citizen, and his wife under the law is of the same nationality. Under our practice, the personal representative, in order to secure a free homestead patent, must be a British subject.

Mrs Welsh claims to have been born near Maple Creek in the N.W.T., but must be considered as an alien and as such would have to be naturalized as a British subject.

This seems somewhat absurd, but under the strict letter of the law it is difficult to see how this can be avoided, unless you are prepared to accept the application for patent without this formality.

Respectfully submitted,

J. A. Greenway, Esq.,
Commissioner Dominion Lands,
Ottawa, Ont.

INTERIOR.
Commissioner
DOMINION LANDS.

F 1375/1905.

Ottawa 2nd November 1905.

S i r;

I have the honour to acknowledge receipt of your letter of the 23rd ultimo -83364A- with respect to the homestead of W. H. Welsh.

I presume from your having referred this case for opinion that the facts do not bring it within the amendment of 63-64 Victoria, Chapter 20, section 1, for the reason, perhaps, that the homesteader had not before his death completed the conditions of his entry.

If that be so the widow, who became an American citizen upon her marriage, must again become a British subject before the patent can issue to her. She can, however, do so without much delay or expense under section 23 of the Naturalization Act, which provides that a widow, who is a natural born British subject, and who has become an alien by or in consequence of her marriage, shall be deemed a statutory alien, and may, as such, at any time during her widowhood, obtain a certificate of readmission to British nationality, within Canada, in the manner provided by the Act.

I have the honour to be,
S i r,
Your obedient servant,

The Secretary,
Department of the Interior,
O T T A W A.

Ottawa. Cameron, 1901.

Sir,

With reference to your letter of the 9th instant, No. 13457, met. 1899, in regard to the Dominion Lands, a copy of which you refer to, stating that Mr. Russell has a homestead and pre-emption entry and has purchased part of his pre-emption, and that he will not be able to fulfil the conditions of his homestead entry, if he is compelled to live on the pre-emption, he having built a house on it and made improvements, etc., etc., I beg to say that, if the facts are as stated, Mr. Russell will be allowed to cancel his homestead entry, and retain his pre-emption, or vice versa, if he wishes to do so.

I am to add that, according to the latest ruling of this Department, no person is entitled to have granted to him a homestead entry upon a school section, as the law is very plain on this point. It says "any person may be allowed to enter "at the Minister to have homestead entry granted upon any such section before the survey of the town- "ship containing such section, may be granted a homestead

Sir, See your Ref; 358224, on 346039, Mr. Howe has recently effected Homestead entry to L.S. 3 & 4, the S. ½ of L.S. 5, Sec. 29, - and all of L. S.1, of Sec. 30, Tp. 19, R. 3, W. of 5th M. He has asked if his time prior to entry would count.

There is one point in connection with this which might be considered as preventing such time to count. Until the permission to grant entry to a portion of a School Section is given such lands are not open for Homestead entry, consequently time might not be permitted to count, though sub-clause 2, of Sec. 38 would if read by itself, seem to entitle him to so count his time.

Mr Burgess,

One Samuel Lee was permitted some time ago to enter a portion of Section 19 Tp 3 W of 5th M. and was asked that at the time prior to entry there should be some Surveyor named who could point out to whether the land can be done, on the ground, that until permission to enter for an portion of a School Section is granted such land is not open for entry, and that consequently there is a doubt whether the time should be counted prior to the entry —

I don't see myself how we can help allowing him the time prior to entry, as it is only by virtue of his occupation of the land prior to survey that we are able to grant him this entry, agree with you.

I quite agree with you.

Now he had not settled, but no doubt he had made bona fide improvemen's, and was a bona fide Settler, a short distance from the School Sect ion, and combining a portion of the S.E. ¼ of 30, and S. In reference to yours of the 16th Ult. Ref;35207o,or 346639,I find the blue print asked for was senton the 23rd Ult. to H. O. but a second copy is enclosed with this.

I am advised by letter from the Head Office,of the 30th Ult. Ref;138007,T. &M.that it is not quite clear whether it is your intention to have the question of granting of a Homestead entry to Howe ,submitted for approval,or whether it is your wish to have the matter settled by the Commissioner' I am further informed that the matter will not be submitted for approval until I am again heard from.

In this case it was submitted to you thinking likely it would be forwarded to H. O. with whatever recommendation you might see fit to make. This being a School section ,I felt it was probable you would wish to refer it ,however you would of course be at liberty to adopt whatever line of action you might deem advisable.

My attention is directed to the factthat Howe was not bona fide settled on the School Section ,that is true ,at the same time he had bona fide settled upon, and made improvements on the portions of Section 29,4 30 -, 19, -3, - W. -01 5th Mn. which I recommended should be grouped to form the 160 acres as a Homestead,and did not consider it was straining at least the spirit of the Act,to make the recommendation I did.

Sir

I squatted in 1883 or 1884 on the S½ E. ... Sec 29 Twp 19 Rge 3 W. 5th Mer. and constructed an irrigation ditch to irrigate my hay meadow, but on survey it was found that the latter was on the S.W. ¼ Sec 29 in that township. On the settlement your Department allowed me the southerly one hundred and twenty acres of the S.E. ¼ Sec 29 and legal subdivision 1 Sec. 30. My buildings being on the latter - I have been using the water from the ditch ever since construction in 1895 and find that I must have more grazing lands and having land in order to make application to purchase the remaining 120 acres of the S.E. ¼ and all of the N.E. ¼ of Sec. 30. in Twp 19 Rge 3. W. 5th Mer.

I would further ask the favor of being allowed to make the payments extend over a period of three years - the first payment to be made when patent is completed.

Mr. Smart,

The Agent at Calgary forwarded here an application from Mr. Samuel Howe to be allowed to purchase 120 acres of the South East quarter and all of the North East quarter of Section 30, Township 13, Range 3, West of the 5th Meridian, at the rate of $1.00, per acre, under the irrigation system. The land appears to be vacant in the books here and those of Mr. Ryley. I see no reason why Mr. Howe should not be allowed to purchase the land in question at the rate mentioned, subject to ~~the obtaining~~ [illegible] under the North West Irrigation Act, a license to divert water to irrigate the said land [illegible]

I may add that Mr. Howe already holds, as a portion of his homestead the other 40 acres. of the South East quarter.

Re Letter 514177. File 399380. Sam. Howe Patent.

Yours of the 28th April received. I find on searching in the books of the Land Office here that Sam. Howe has been recommended for a patent for the land stated in my original transfers and which description you have copied in the first part of your letter. However, in the books of the Registry Office here the description of the land is the same as you have stated so that the description in the books of the Land Office here must be wrong. Doubtless you will see that it is corrected.

I now enclose you transfers from Mr. Howe to Mr. Gun-Browne and from Mr. Gun-Browne to Mr. Linehan. I also enclose you a transfer direct from Mr. Howe to Mr. Linehan. By registering this latter the effect to us will be the same and it may save you trouble and us costs.

I enclose you also express orders for $39.90, being the amount due by Mr. Howe for seed grain as per your letter.

I likewise enclose you abstracts of title and certificates of Execution.

Sir

I have the honour to enclose herewith an application from Mr. John Lineham of Okotoks, Alberta, to purchase L.S. 2, 7 and 8, of section 30 - 19 - 3, west of the 5th under the irrigation system.

I understand Mr. Lineham recently purchased the ranche belonging to Mr. Samuel Howe which adjoins this land, and now in order to make the location a little more complete, desires to acquire this land. Under the circumstances I think that no very great objections can be taken to the application. I am aware of course that Mr. Lineham has already been permitted to purchase more land than the law allows. See your communication of the 20th Feby last, File 482677.

SCHEME No. 3.

Has been cancelled at Mr. Lineham's request and it would therefore seem that the lands mentioned in the said Order-in-Council, and affected by this scheme, should be withdrawn from the provisions thereof, as the lands in question do not appear to be capable of being irrigated from either of schemes Nos. 1 and 2.

Respectfully submitted,

(Sgd.) T. Rankine,

Chief Clerk.

SCHEME No. 2.

The lands to be irrigated, and those to be sold under the irrigation system, in connection with this scheme were as follows

Lands included in scheme No.2 — Lands included in O/C 26/7/11

158 ac. of N.W.--34-1-5-4 — 116.10 ac. of N.W.-34-1-5-4
0.71 " " S.W.- " " " "
116.81

As, however, this scheme was cancelled at Mr. Lineham's request, and as the lands do not appear capable of being irrigated from either of schemes Nos. 1 and 3, it would seem that that part of the Order-in-Council of July 26, 1910, relating to the two parcels above mentioned will have to be cancelled.

- - - - - - - - - - - - - - - - - -

To sum up;

SCHEME No. 1.

Has been completed (although a portion of it is faultily constructed) at a cost of $[illegible]; and that the whole scheme requires extensive repairs to put it in proper shape; and that if it is decided to complete Time Sale No. 1173, covering L.S. 2, 7 and 8 of sec. 30—10--3--4, the proportion of that amount to be credited in completing arrangements is $[illegible].

SCHEME No. 3.

Has been constructed for about 4 1/2 miles, at a cost of $1278.80, on which sum the works authorized have cost $1257.00, but the scheme is not in working condition and on the whole is not a good one, and still requires considerable work to put it in proper shape. Of the 1148.26 acres of land authorized by Order-in-Council dated July 26, 1910, to be sold to Mr. Lineham, 933 acres are in connection with this scheme, and the whole of the $1257.00 should be credited in completing the sale, if it is decided to carry it out.

SCHEME No. 3.

The Irrigation Office files show that the lands last mentioned are affected by Mr. Lineham's applications, at this date, as follows:-

SCHEME No. 1.	acres
S.½ of L.S. 5 and 6, and whole of L.S. 3 and 4 of sec. 29—19—3—5, and L.S. 1 of Sec.30 in same tp. & rg; homesteaded by Samuel Hove and assigned by him to John Lineham, who has received patent therefor..	160
L.S.2, 7 and 8 of sec. 30—19—3—5. Time sale No. 1272, to John Lineham, apparently under irrigation conditions	120
Total	280

None of these lands are included in the Order-in-Council of July 26, 1900, and of the 280 acres, an area of 252 acres are to be irrigated by this scheme. Cost of whole irrigation scheme is $146.71; and proportion thereof which should be credited in connection with the sale of L.S. 2, 7 and 8 of Sec. 30, would be 120/252 of that amount, or $117.50. if it is decided to complete the sale, after the Inspecting Officer's report has been considered.

SCHEME No.2.

Of the lands to be irrigated by this scheme the following particulars are submitted:-

Lands included in scheme No.2	Lands included in O/C of 26/7/00
5 ac. N.W.-25-19-4-5	480 ac. N.½ & S.W.¼ sec. 25
23 " N.E.- " " " "	
60 " N.W.-30-19-3-5	320 " N.½ " 30
55 " N.E.- " " " "	
60 " N.E.-32 " " "	183 " E.½ " 32
28 " S.E.- " " " "	
226 acres.	983 acres.

The proportion of irrigated lands to unirrigated lands is sufficient to meet the requirements of the irrigation system, and the cost of the authorized portion of the whole scheme is $1257.90, which should be credited to Mr. Lineham in connection with the sale of the 983 acres shown above, if it is decided to complete the sale after consideration has been given to the facts mentioned in the Inspecting Officer's report.

SCHEME No. 3.

SCHEME No. 3.

Irrigation Office ref. 113 --- H.O. ref. 69,812 T&M. Application of John Lineham to divert water from Lineham Creek on the N.E.¼ of Sec. 33--19--3 -5, for the irrigation of 158 ac. of the N.W.¼ of Sec. 34 in the same tp. and rg.

Upon Mr. Lineham's request, dated March 20, 1900 this application was cancelled by H.O. on April 4, 1900.

- - - - - - - - - - - - - - - -

By Order-in-Council, dated January 12, 1899, authority was granted for the sale to Mr. Lineham, at the rate of $1.00 an acre, under irrigation conditions, of the undermentioned lands, viz:-

Part	Sec.	Tp.	Rg.	M.	Acreage

Mr. Lineham subsequently applied to be allowed to amend this application as follows, with the same reservations, viz:-

Sir,

This response to your application (as assignee to Mr. Daniel Howe) to divert water from Bassano Creek on the W.½ of Sec. 32, Tp. 20, Rge. 5, West of the 4th Meridian for the irrigation of the lands of L.S. 1 & 2 of the S.E. ¼ of said Sec. 5 and 12 lands of L.S. 3-4 and the S.½ of L.S. 5 and the S.W. ¼ of Sec. 4 in the same township and your further application to change the said L.S. 1 and 2 of the S.E. ¼ of Sec. 5 under the irrigation system, I would beg to say that Licence No. 1 was issued to your former assignee, Mr. Howe, to divert 2.5 cubic feet of water per second for the irrigation of the said quarter. I would also refer you to my letter of January 27, 1909, advising you that the works authorized and commenced on the land aforesaid did not consist of a ditch of sufficient capacity to convey the quantity of water, and it was stated that the works were in the same condition as they were when previously inspected in Apr. 1907, and were not capable of being satisfactorily used until the ditch is rebuilt and the first 1½ ft. of the head enlarged.

In connection with this matter I have to advise you that before the sale of the lands is completed the works must be put in proper shape and the application served.

This matter is submitted for instructions as to what disposal is to be made of the quarter-section above mentioned.

This is the case where the John Linehan estate claims an interest in the land by reason of ownership of adjoining land. The local agent at Calgary granted Jack Dennin homestead entry on the 4th November last, following instructions to post the land. However, in view of the claims of the Linehan estate this entry has now been cancelled and the fee refunded.

In this connection please see the statement of the 17th February last (marked) and the Commissioner's memorandum of the 26th idem initialled following.

DEPARTMENT OF THE INTERIOR

M.R. 311/198 M.C.

TIMBER AND GRAZING LANDS BRANCH

OTTAWA April 26,1913.

Sir,

I beg to refer you to your letter of the 4th July last, File P. G. - 5, in which you recommended that the South West quarter of Section 30, Township 19, Range 3, West of the 5th Meridian, be withdrawn from the public grazing reservation and made available for a stock homestead. In accordance with your recommendation the land was withdrawn from the public grazing reservation, and was subsequently posted for entry. Homestead entry was granted for this land on the 19th November last to Mr. Jack Denning, of Lingham, Alberta, but as, upon further investigation, it was found that the land is unfit to support a man and his family the entry was cancelled on the 7th ultimo.

According to the records of the Land Titles Office the North half and South East quarter of Section 30, Township 19, Range 3, and Section 25, Township 19, Range 4, are owned by Mr. P. Burns; the North half of Section 19, Township 19, Range 3, by the Calgary and Edmonton Railway Company, and the North half of Section 24, Township 19, Range 4, by Mr. C. H. Sturrock, but it has been ascertained that the Calgary and Edmonton Railway Company has sold the North half of Section 19, North of the River, Township 19, Range 3, to Mr. P. Burns. This would indicate that Mr. Burns is the owner of all the lands adjoining the South West quarter of Section 30, above mentioned. The Estate of John Lineham has been endeavouring for some time to purchase the South West quarter of Section 30, as they were the owners by patent of the balance of the section, but it appears that the Estate has now sold the three quarter-sections to Mr. Burns.

Please be good enough to make an inspection of the South West quarter of Section 30, Township 19, Range 3, West of the 5th Meridian, and furnish a report as to who in your opinion should be offered a lease of this quartersection in the event of the Department deciding to lease it for grazing purposes.

It is specially desired that your report in this matter be furnished at the very earliest date possible.

Memorandum; Mr. York:-

In a memorandum dated the 10th inst. on this file Inspector [illegible], stated, the acting Deputy Minister requested Mr. E. Stanley, Timber Inspector at Prince Albert, to report if the applications on file in connection with the South East Quarter of Section 20, Township 19, Range [illegible] of the 5th Meridian, are locked to visit the land and advise the Department who should be allowed a lease of this quarter-section in the event of the Department deciding to issue it for grazing. In his memorandum the acting Deputy Minister stated that it is understood that this quarter-section is completely surrounded by patented lands and is practically useless for grazing. He stated that when the Inspector's report is received it would be referred to him for his recommendation.

A report from Mr. Stanley, dated the 3rd instant is on file No. 87711 [illegible]. Gentlemen,

I am to acknowledge your letter of the 22nd August last, your file [illegible], and in reply to say the matter mentioned was dealt with in the 7th June last, as available for [illegible] and the [illegible] conditions.

It is understood that you are acting for the legal representatives of the late Andrew Erlick, who claim an interest in the land by reason of ownership of certain small - holding land. [illegible] clients' behalf, if your clients desire to make use of the land they are at liberty to apply for a lease in the usual way.

Memorandum.

Mr. Pedley.

Re L. ., S.-E.-S. 8.5th R.

Messrs. J.T. Knowles & Co., barristers of Calgary, acting for the Ant Burns' interests, make application on behalf of their clients to purchase the quarter-section above mentioned.

On the 16th November, 1906, Jack Hamlin was granted homestead entry for this land, but on the representations of Messrs. Knowles & Co. to the effect that the heirs of John Lindsay Wallace had an interest in the quarter-section by reason of ownership of an adjoining farm, it was decided to cancel the entry - Mem. 17-.-06 (illegible).

On the report of a Dominion Inspector that the land was built on, cultivated and put in for stock homestead, the quarter-section was put in for Graham's purposes on the 20th June last - Mem. 16.6.10 (illegible).

It appears that the executors of the John Lindsay Wallace negotiations were sold the property of the estate from the C. Dairy Company Limited and others. Knowles & Co. state that it would be of no benefit to their clients to locate this quarter-section which is completely surrounded by lands the title to which is vested in the Burns Company, and that if they are not permitted to purchase they will be quite very considerable inconvenience.

The late John Lindsay appears to have been granted a license of occupation for irrigation purposes in respect to a portion of this quarter-section, which is reported by the Land Patents Branch to have been patented to him on the 3rd April, 1900, but no area was apparently specified (however a small portion of the quarter-section only is affected - see sketch marked). The balance of the quarter-section was reserved for public grazing purposes. This was withdrawn on the report of Senior Specialist of Grazing Lands Clowsky of the 4th July, 1910.

It appears that the late John Lindsay, and also his executors, prior to search of title, were under the impression that the entire quarter-section was the property of the estate and in view of the fact that the quarter-section is situate in the heart of the block of property owned by the estate the executors are said to be very anxious to obtain title. No doubt in the negotiations with the Ant Burns' interests it was understood that this land formed part of the estate.

The matter is submitted for consideration.

This quarter-section is reported to be of agricultural purposes, and unsuitable for ading under the stock provisions of the Dominion et, and the land has been therefore posted for y only under the grazing regulations.

ssrs. J.J.Browllee & Co., Barristers of algary, representing certain private interests, have ade application on behalf of their clients to purchase the quarter-section.

In this connection please refer to my memorandum of the 6th October last (marked) at which time Mr. Stinson ruled that the application could not be considered.

ssrs. J.J.Brownlee & Co., have written further in the matter, making strong representations in support of the application to purchase, in which the following is ours:-

"Our clients, the executors of the John Linehan estate, are very anxious to purchase the property for the reasons set forth in the first letters at the beginning of our correspondence, and which we presume it is not necessary to again outline here.

In view of the reports made to you by your Homestead Inspector and other officials at Calgary, we feel that the Department would be quite justified in fixing a price which they will accept for the land and sell it to our clients.

As we explained before, the land is of little or no value to anyone, other than our clients, as they owned all of the large block surrounding that quarter and which they have sold. Through an oversight, this particular quarter was included in the agreement for sale to the said purchaser, with the result that our clients are in a rather unfortunate predicament, which can be overcome if they can purchase that quarter from you at a reasonable figure, and deliver to the purchasers of the block.
